DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDÚ, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

To those who consecrate themselves

To those who consecrate themselves, may you never lose the faith and the trust in all that you live, because no matter how difficult it may become someday, God will not abandon you.

To those who consecrate themselves, may you live under a spirit of meekness and of pacification, because thus, you will be protected from all adversity.

To those who consecrate themselves, may you believe that it is possible to live the infinite transformation, because in the most culminating hour of the planet, you will remember the treasures of the Grace that one day you received.

To those who consecrate themselves, may you never lose from sight the principles of the religious, ecumenical and fraternal community; may your lives be the definitive foundations for the birth of a new humanity.

To those who consecrate themselves, may you listen with attention and full of humility, gratitude, and surrender, to the words of those who guide you, because thus, you will be within the spirit of an unbreakable unity among brothers and sisters.

To those who consecrate themselves, may you remember day by day the tools that were given to you and the joy of your fellow beings, of the angels, and of the saints for having taken a step towards the Lord.

To those who consecrated themselves, may you protect from yourselves the rules that constitute the spirit of each congregation and that, as vigilants of the doors of the monasteries, may transparency and truth always prevail.

To those who consecrate themselves, may you work the rest of your lives to build on the surface of this planet, the dwelling where Christ will find repose when He returns.

I thank you for dedicating your lives to the greater and unknown Purpose, which one day will be fulfilled in humanity!

Who blesses you,

Your Mother Mary, Rose of Peace
