DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN?

Dear children,

I thank you for your sacrifices and effort, because it is through this surrender that your Heavenly Mother can help the planet, mainly the serious situation of humanity.

Facing now the first part of the end of a time, My Luminous Heart comes to guide you and move you away from the paths that My adversary creates to deceive the good souls.

Through the act of renunciation is found the liberation of the inferior self and thus, the consciousness sees itself totally free of doing wrong and of deviating from the Will of God.

It is by means of sacrifices that your Most Holy Mother can repair many things, like the causes that produce the perdition of the hearts and souls of this world. For this I come to remind you of the act of your sacrifice and penitence as a key for the liberation of oneself and for the deep healing of the world.

It will be through prayer that the fundamental foundations of the new Christianity will be manifested. And will be these foundations that will create the interior condition in the souls to reach redemption and specially the preparation for the second coming of Christ to the world.

Dear children, day and night I pray for you, to encourage you, despite the consequences, to be founders of these new foundations that will be formed through the love and the interior donation of everyone to the Plan of God.

You cannot imagine, My children, all that your Heavenly Mother can do to help the souls and the Plan of Evolution in all of the humanity. For this your sincerity before God will allow you to walk towards this Purpose and thus I will also be able to count on your immediate help.

I thank you for answering My call!

Who congregates you to the apostolate of Christ,

Your Mother Mary, Rose of Peace
