DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED DURING THE TRIP FROM THE CITY OF SÃO PAULO TO THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY SISTER LUCÍA DE JESÚS

In the same way that the peoples of the desert, sent by God to be tested in their faith through inner contact and trust in Divine Will, were able to build the bases for the arrival of the Creator Himself to this world, may you, children, taken by the Father into the inner desert, guided by the trials of this time, be able to fortify your own faith, be able to build the bases for a new life and, even further, be able to build the bases for the return of Christ to this world.

At different levels, the history of humanity is repeating itself, because the cycles bring new opportunities for wholly fulfilling the Will of the Creator.

You are drawing closer to the return of your Lord to the world, and so that you may experience this moment, you must prepare His path. And the path for Christ, children, will be prepared not from the outside in, but rather from the inside out.

This path has its origin in your inner universe, in the very depths of human truth, called essence; and this path, which begins in you, leads to the Celestial Universe, to the Source of life, into that which is called Divine Essence.

The path of the return of Christ is the bridge between your hearts and the Heart of God, and this bridge is being built now, through faith, persistence, obedience and absolute love for your Creator.

For this reason, allow tests to be transformed into bricks in this inner construction, parts of this bridge to the Heart of God.

Do not fear anything, just simply learn with everything you experience and make yourselves strong in Christ in each new challenge.

You have My blessing for this.

The Most Chaste Saint Joseph
