DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Child,

Souls believe they have the authority to question or put My Plan of Love at risk through their choices, dissatisfaction or ways of life.

The mission that I offer souls is very serious because it is about the future and the destiny of all humanity and of the planet.

For this reason, all souls must learn to behave appropriately with Me, because what I am doing for you, I also do for humanity.

It is no longer the time to want to be in one attitude or want to be in another attitude. This is the time in which human beings, facing the Law of Justice, define their next stage or their definite judgment, which has repercussions in the evolution or in the stagnation of the entire consciousness.

I know that it is not easy for you to understand and accept this, but My Plan cannot be played with, like some play with fire.

The time has come to make decisions with discernment so that no action have a contrary effect on one's being.

I thank you for keeping My words in your heart!

Who blesses you,

Your Master, Christ Jesus
