DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED DURING THE JOURNEY FROM THE CITY OF SANTA MARIA TO SAO PAULO, BRAZIL, TO THE VISIONARY SISTER LUCÍA DE JESÚS

When the Heavens open before your eyes, first give thanks to God and raise your deepest reverence to the Father; then, child, let this Heaven not only be before you, but let it enter into you, and you into it, recovering, even if for an instant, your unity with God.

When the Heavens open before your eyes, after giving thanks, then think about all of humanity, about all the Kingdoms of Nature, about each small and secluded space on this planet, and place all the life that dwells upon the Earth in the Heart of God. Cry out to the Father for each heart and feel that He responds to your supplications, pouring out Love and Mercy upon the world.

When the Heavens open before your eyes, give thanks, cry out for the world and then cry out for yourself, so that, as a part of a whole, which is life, you also may have courage and perseverance, enough to fulfill the Will of God and remain in it.

Recognize yourself as a unique piece in the fulfillment of the Plan of the Creator, in the renewal of His Love and of His Grace, and in this certainty, also understand the importance of each being, of each heart, and call for unity among beings; pray not only for the neighbor to learn to love you and accept you as you are; pray, above all, for all to know how to mutually love one another, respect one another, and understand the importance of each being within this Plan. Even the most sinful and lost being is important to God because their conversion is a great victory.

But you, who are also imperfect and are on this path of learning, consent yourself to pray for the neighbor and to open the path so that this Heaven that opens before your eyes may pour its Graces on those most in need, on all the children of God so that no one remains in the world without having received at least one opportunity to return to the Heart of the Father.

With this, child, placing Life everyday, in the Heart of God, you will be fulfilling a part of the Will of the Father for you, because your prayers will be true.

Pray, and when Heaven opens before your eyes, cry out to the Father for His Unity to live again within the beings.

You have My blessing for this.

Your Father and Friend,

The Most Chaste Saint Joseph
