WEEKLY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED IN FÁTIMA, PORTUGAL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Dear Children,

While conflicts in the world continue to worsen and drag on, I call you to be forerunners of peace among yourselves.

While anguish, despair and suffering strike, day and night, upon the helpless and unprotected by wars, I call you to remember the essence of gratitude and to eradicate criticism and complaint.

While some nations in these coming days will define the course of their destiny and their end, I call you to value the very powerful and wise stream of Instruction so that it will no longer be placed in the background.

While the modernities of the end of these times hypnotize and inhibit the spiritual and human potential, leaving in the hands of machines the precise reasoning that God gave to humankind; I call you, children, to watch and be careful so that your souls are not absorbed by an artificial life.

While, in the world and in several nations, hunger and lack of well-being in every sense are used as a corrupt campaign to exploit the suffering of others; I call you, children, to protect the Work of God, first of all from yourselves and secondly from all superficial and arrogant attitudes.

While in the laboratories new lives are planned and sold; I call you, children, to shelter, protect and care for the poorest of the poor so that humanity may turn its gaze toward the most disadvantaged.

This and much more, My children, is a cause for perpetual and urgent prayer; for each of you must recognize that, through these My last Words, all are already warned.

May your voices and hearts be united for these causes, at this next gathering of the 1000 Hail Marys. I will be united to the plea of the heart that adheres.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
