DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARY SISTER LUCÍA DE JESÚS

The time has come to return. To return to the Heart of God, return to the pure and simple principle of your existence, return to the essence of what you are, to the essence of Life.

The time has come to return. To return to the Father, renewed by the presence of His Spirit, carrying with you everything you have learned in this world and in all others.

The time has come to return. To return in consciousness to the point you left behind before original sin. Return in consciousness to the Truth, recovering the Wisdom that, as children of God, you hold in your inner world.

The time has come to return. To return to Life and escape from death, in which many have chosen to be.

The time has come to begin to consciously tread the path of return, which does not mean to cease to exist, but rather to exist within the Truth, belonging to the Truth, being one with it.

To return means to go back to Divine Consciousness, to go back to the Consciousness of your Origin, dismissing the power of illusion and of ignorance and making space for Reality to manifest.

The time has come to return, because everything that belongs to illusion will vanish with it.

Pray and truly aspire to be in God, to know and recognize His mysteries, and each day more, let Him express Himself in your hearts.

You have My Blessing for this.

Your Father and Friend,

The Most Chaste Saint Joseph
