DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS TRANSMITTED IN THE MONASTERY OF THE CONFRATERNITY OF THE LORD, GUATAVITA, CUNDINAMARCA, COLOMBIA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Companions,

When souls place themselves, with sincerity, to pray for a difficult situation, the Universe will always respond and the angels, and all the hosts, will dissolve that invisible interference that is feeding on the indignation and fury of consciousnesses.

Thus, group prayer, regardless of being gathered together physically or not, fosters an operative and angelic movement in search of those causes that generate disharmony and rebellion within people.

In this time, such operative prayer will keep the portals open and the hells closed so that souls may not find themselves encouraged to move forward with actions that they will later repent of, for the rest of their lives.

Even after having prayed for a long time, if apparently nothing happens or everything continues on the same, do not be alarmed nor question yourselves, because you will see the power and the results of the prayer carried out, and how many situations will be benefited for having prayed with the heart.

Remain firm in this purpose, for you will not only be protected, but you will also have wisdom to be able to proceed.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master and Lord, Christ Jesus
