DAILY MESSAGE RECEIVED OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

Like the Breath of the Holy Spirit upon the apostles of Christ, today that Divine Breath floods your spirits, so that on experiencing the cycle of inner rehabilitation, you now confirm your union with Christ, Our Lord.

Thus, My Son will find apostles ready to serve Him above all else, because truly, your purification is the prelude for entering into a state of Divine Consciousness.

Between your terrestrial beings and the soul of each of My children there must be no abyss that will separate you from the Purpose and the fulfillment of the task My Son entrusted to you from the beginning.

Now, this Divine Breath will carry you to a discovery of everything whose time has come to go through its death, so that, crossing the portal toward the Heavens, your cells become divine in Christ, the Lord.

Between one cycle and the next you will find the abysses of consciousness, abysses that must be illumined by the power of the love and unity among souls. This is the key that will open the door of freedom from the self for you and believe that from now on, you must allow yourselves to be loved and must set aside the calvary that through a lack of understanding you are experiencing within yourselves.

Your souls must be in constant unity and fraternity; views and concrete ideas can no longer reign in the collective thought of souls. Your source of renewal must be the Love of God, a Love that bears all things, forgives all things and understands all things.

In this way, you will be free of always seeing imperfection and will awaken to the virtues of the unity and love that My Son taught you. For this reason, children, you are in time to reconsider and of not allowing the ideas of My adversary to completely invade your consciousnesses.

The spiritual battle of the end of times has now begun which will come from the hand of the accelerated and intense purification that many will face, to then be able to enter into the Kingdom of God.

During the battle will be the moment when you must be more united than ever, so the Divine Breath of Wisdom may always place you on the correct path. In this way, you will be able to collaborate and help all those who will be lost, through ignorance or deceit, to be placed on the right path.

Be witnesses of all the Divine Legacy which has been given to you. Nothing occurs by chance; that Legacy will be your fortitude and your knowledge, as Our Sacred Hearts will also be.

I thank you for responding in consciousness to My call for peace, in this time of the spiritual battle of the end of times.

Who assembles you in the Luminous Heart of Christ,

Your Mother, the Virgin Mary, Rose of Peace
