DAILY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

My dear children,

While the spiritual practice of the powerful novena of the Saint Raphael the Archangel continues on, I invite you to reinforce your commitment every day with the Holy Rosary.

Do not forget that the Rosary is the weapon of defense of each of My children and, above all, in this time of definition.

At the same time, the powerful novena continues to work in the consciousness of the planet, and the souls that were restored are now in a safe place, in which nothing dangerous can happen to them.

The powerful novena is also reaching other spaces in humanity, where suffering, poverty and illness are creating a lot of instability and chaos.

Saint Raphael the Archangel goes to meet those souls that are not prisoners of the pandemic, but are punished by the culture of discarding and of loneliness.

So it is, that the prayers embrace and take in other situations of the planet that are also in need of healing, of love and of redemption.

I ask you not to give up and that your prayers continue to touch the Heart of God so that He may have Pity and Mercy for this suffering planet in agony.

May the healing Light of the Saint Raphael the Archangel continue to descend upon the planet so that hearts may awaken to the call to change and to forgiveness.

I once again thank all those who pray for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
