DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN CALI, VALLE DEL CAUCA, COLOMBIA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

In this cycle, chaos does not want to govern the nations; chaos desires to remain in the heart and in the mind of the people that agree with conflict and power; because, through souls taken by chaos, the plan of My adversary is carried forward, and as it knows that it has little time left, it will try to awaken and generate the greatest possible destruction within peoples and in nations.

For this reason, the true battle is within everyone, in the duality that must be transcended and overcome in this time so that the soul may triumph.

This cycle is one of many spiritual confrontations and that which is at stake is the next humanity.

If current humanity managed to overcome indifference through the strength and the power of love, the New Earth would already be in the process of being born within hearts.

But now the intelligence that the Holy Spirit provides must be used in order to overcome the attacks and challenges of these times. You will build that intelligence with prayer and with all that you nurture in your inner world.

There will be days of glory, but there will also be nights of battles, and in these moments, My Love will be there to help you, when you allow Me to.

I thank you for keeping My Words in your hearts!

Who blesses you,

Your Master and Lord, Christ Jesus
