**Daily message of Mary, Rose of Peace, transmitted in the Marian Center of Figueira, Minas Gerais, Brazil, to the visionary Friar Elías del Sagrado Corazón**

Dear children:

May faith and love reign in these times in which the planet and its humanity are preparing to experience unknown situations.

By faith and love reigning, may souls feel trust in God and strengthen themselves enough to be able to help this civilization to take an unknown leap towards a new consciousness.

In these critical times, may the power of prayer convert each space of the consciousness, and thus each inner aspect of this humanity will also be converted.

By experiencing the attributes of the Heavens, humanity can be saved and, in this way, it will not be necessary to suffer the resistance of the inner worlds.

Be bearers of the new and of the eternal, and you will be participants in the sacred Communion with My beloved Son, who will liberate you from many situations.

I teach you to love the unknown so that someday you can experience it within yourselves and beyond this concrete reality.

I would like you to learn, as from now, to cross the portal towards the infinite because thus you will be able to express peace.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
