DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

Dear children,

On the eve of this Nativity of the Lord, I would like all My children to work, every day, under the spirit of joy and love for serving God.

I would like your smile for receiving this next Nativity as something special and unique to be reflected on your faces, so that the spirit of the families may also continue to be helped.

For this, children, I daily invite you to renew yourselves, to be in Christ and for Christ, living each moment as something primordial, knowing that everything you do will have repercussions in the world.

I would like your lips to not tire of praising the Lord, because great are His Glory and His Mercy towards the world; a world that at this time needs infinite interventions and graces.

Celebrate every day and do not tire of doing so; celebrate from the heart and do it for your brothers and sisters of the world who lose the sense of living and the opportunity to love, just as I teach you every day.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
