DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE CITY OF BUENOS AIRES, ARGENTINA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

The family is the main cell of Creation, and all the members that are part of it have a duty and something to contribute so that the family, which is the cell of the Project, can evolve and advance according to the Divine Plan.

The manifestation of the patterns of behavior that must be kept in mind in this time depend upon the family, so that the family itself may be protected from the influences that attack it or the interferences that try to dissolve it.

So, within the family, the work of prayer will safeguard it from possible and unexpected divisions, and family prayer will aid it in the face of the needs that may emerge.

Today, the family is one of the main scenarios of attack and this has repercussions in all of its members when the foundations and the patterns of behavior are not strong.

The family must be this model for God that represents the incessant work in group life, as in all the moments in which needs may exist.

The family must be a pillar of equality, of charity among its members, and of love, which surpasses all limits of consciousness.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master and Lord, Christ Jesus
