DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN DORNES, SANTARÉM, PORTUGAL TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Transform all terrestrial forces through the power of peace and of prayer, for in this way, your soul will become invincible, just like Jesus when He lived the Divine Passion.

Let the power of universal peace transform all that is decadent and worldly. Through an unalterable meekness and neutrality, let all evil be removed, for nothing can resist a true state of peace and harmony.

Let the power of peace modify events, that it may make the actions of those who aspire to be in Christ more conscious, that all may learn in the school of purification of these times.

Let the power of peace be unalterable, that it may represent the factor of the defeat of all terrestrial forces.

In quietness, serenity and silence, let all evil in the consciousness be pulled out by its roots, so that more souls may learn to be free of themselves, in order to help free the world of all that is terrestrial.

Let the power of peace make of this planet a tabernacle of light, full of redeemed souls at the Feet of the Great Lord.

So be it.

I thank you for responding to My call!

Who blesses and sanctifies you,

Your Mother, the Virgin Mary, Rose of Peace
