WEEKLY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Dear children,

This is the time to hold prayer as the fundamental instrument in your lives.

Thus, in the universe of prayer, you will receive the light of wisdom for the absolute transformation that your consciousnesses must experience.

This is the time to hold prayer as the instrument to solve the most difficult situations, because prayer will always lead you into remaining at another frequency, in a safer reality, at this planetary moment.

My children, I invite you to disseminate this instrument, not with words or with messages, but rather with your examples of transformation and conversion through the School of Prayer, because prayer will also help, as will fasting, in keeping the elements of nature in balance.

In this School of Prayer that you must live, My children, I ask that you not stop praying. This is the time in which your hearts are to elevate the most fervent and sincere prayers towards the Heights so that serious situations in humanity may find a solution.

All the consecrated Children of Mary, at this moment, must be united in prayer, as souls and as brothers and sisters, beyond distances, so that your Heavenly Mother may intercede in all needs.

Children, may prayer be the inner melody that resonates within you so that someday your lives may be a prayer.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
