DAILY MESSAGE OF CHRIST JESUS, TRANSMITTED TO FRIAR ELÍAS

If you call me by My Name, My Merciful Heart will be present amongst you.

If you adore Me as a Sacerdotal Consciousness in the Eucharist, My Redeeming Heart will redeem you and free you from sin.

If you call Me to enter your house, I will do so because you will be opening the door so that My Heart may dwell perpetually amongst you.

Dear ones: if you are in My Universal and Celestial Fire, My Most Sacred Flames will burn everything that does not form part of the Good and of the Light. When you purify the body, the feeling and thought, My Wonders accompany you to relieve your transition until the total transcendence of self.

I do not return to give you suffering, this I have already lived for you and I know that pain is still not liberated from the heart of people. But My Fire purifies you, at the same time It consecrates you as souls worthy to live in the Kingdom of My Father.

My Source is another of the glorified gifts that My Father has conceded to Me in order to baptize in My Love all those who have committed themselves with Me for this final time.

I Am the Vigilante, I Am the primordial Guardian of all of the Christic essences. Do not fear in this time for what you may be seeing of yourselves. This is what I give you, My friends, the true face of what My sheep are.

For this I come back, I come back between clouds, rays, stars, lights and suns to demonstrate to the world that the Son of the Man is who complies with the Highest requests of the Creator. I take between My arms your hearts and I contemplate you with My only aspiration, which is that you, in simplicity, reach Eternity.

My Kingdom, the one which was announced, is near, more than all of My Flocks may imagine. First will come the Holy Spirit which will prepare in wisdom the soldiers so that they may face the battle between Heaven and the Earth.

All will be healed, even the smallest particle created by My Father. At the end all will be redeemed and consecrated through the centuries of the centuries to My Holy Lord.

Be encouraged by the presence of My Heart, live all of the days in My Redeeming Law.

Under the Grace of My Father, be merciful.

Thank you for guarding My words in the heart!

At the end of the daily message the Master opened His Arms and radiated towards those present an intense light of love and said: "I know that still not all understand the commandments, for this I tell you that My Beatitudes are Commandments too".

At this moment Master Jesus transmitted the following prayer:

Prayer to live the Commandments of the Lord

May the Laws be the manifested life between Heaven and Earth.

May the Law of the Divine Purpose
permeate our cells with light.

May the Celestial Laws
be an expression of the laws on Earth.

May I consecrate myself everyday to the Highest Law of God.

May the Holy Spirit
be the path to live the Sacred Commandments.

Through the Most Sacred Heart of Jesus,
may our souls find the living of the Divine Laws.

May humanity be redeemed and forgiven
by the Merciful Law.

In the Celestial Father,
may we live forever the Eternal Law of His Grace.

Amen

Christ Jesus, your Eternal Lord.
