**DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY,
TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN**

Dear children,

Today rejoice your hearts because I can be with your souls, contemplating you in prayer. My little ones, smile to the life that the Lord has given you so that the giving and the surrender of yourselves may be precious gifts for God.

Dear children, follow the pathway to the maternal garden of My Roses so that, invaded by My Peace, you may take strength in each day of prayer. Each prayer, My dear ones, must be a garden of roses created by the voice of your hearts. In this way, My little ones, the world will receive the Graces that illuminate My Immaculate Heart.

Dear children, yesterday I invited you to live in the Faith of the heart. Today I call you to take the steps towards My Son so that your hearts may find a safe rest within His Most Holy Heart.

My little children, I am with each heart to indicate the path towards the Heavens. See daily the Light of your hearts as praying souls.

Dear children, help your brothers and sisters so that they may reach peace. My Peace is divine and I come to you daily to pour it over the world.

Through My daily voice I am bringing you the presence of the Kingdom of God. Therefore, little children, live in the aspiration of being able to be in the Kingdom of the Heavens, and this begins through prayer. Live the paradise of God in each one of your hearts so that the path of the pilgrim can be constructed based in the life of prayer.

Dear children, I shelter you perpetually, I wait for you in prayer daily, and I call you through the Light of My Immaculate Heart.

Thank you for responding to the call to the propagation of the Plans of God; the world needs to live in peace.

Mary, Mother of the Divine Conception of the Trinity
