Daily Message received in the Marian Center of Aurora, Paysandu, Uruguay, transmitted by the Glorified Christ Jesus, to the visionary Friar Elías del Sagrado Corazón de Jesús

For Me, it is not important that you make mistakes many times, what is truly important is that you try, again and again, to come out from the point where you once were, although many times you do not know how to begin to change.

Attitude and inner effort alone are worth much more than hundreds of words. Therefore, persevere with faith. With faith, cry out and never lower your arms.

Your Lord God deeply knows your being and He, who is infinite in Pity and Mercy, will help you.

Allow, then, that inner change begin to take place within you, no matter the results or delays. Just place in your heart the aspiration that someday you can live My Divine Attributes.

Keep yourself firm in prayer and strong in faith. Thus, day by day, you will conquer new results; because in truth everything starts in the small, in what is invisible, simple and truthful.

Everyday, give yourself more and more to God because, in this way, your consciousness will be within the revelations of His Mystery.

In the end, everything ends in love, because it will be love that one day will manage to free you and lead you to the goal.

Trust in Me.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master, Christ Jesus
