WEEKLY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

In the inner planes, there is a great network of prayerful souls that unite among themselves through the devotion to My Immaculate Heart. This union is established through the purest intentions and the truest supplications that spring from the heart of these souls.

In this time, this inner work has expanded due to the need of the planet and of humanity. The increase of intentions and supplications reach the ears of the Mother of God so that all situations may be attended.

In this great network of souls of the inner planes, there is a spiritual communication that is established between the prayerful beings and God. This communication is nurtured through prayer, which maintains the doors of the Heavens open so that Graces may descend.

All prayerful beings are called upon to enter this great network of devout souls that only pray so that different realities of humanity may be responded to.

In all this, the angelic universe fulfills a fundamental mission and carries forward the function of being an important intercessor between souls and God so that the Law of Mercy and Forgiveness may be fulfilled.

With each sincere and true prayer, an angel of the Lord can intercede for a situation that, in many cases, takes place in another location of the planet.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
