WEEKLY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Dear children,

As pilgrims of life, follow the sign that is indicated to you on your path, the star that marks the path to My Immaculate Heart, because in My maternal Heart you have a dwelling to return to, every time you need.

This is the time for you to learn to live within My Heart at all possible times. In this way, My children, you will be supported by the power of My Love, by the great celestial shield of My Heart.

My Heart is this great fort where you will be able to be in vigil, attentive to the events of these times, available and whole to enter the field of spiritual battle; because the hour is coming when My soldiers will enter the space of adversity to dispel the harassments and, with me, through prayer, rescue those who remained spiritually lost.

I need you with a different attitude from the one you have had up until now. I need you within the spiritual command of My Son, just as the Guardian Angels, attentive to and waiting for the next convocation, because in this end time that is drawing close, all is permitted, and you must only seek the Light of the Heart of My beloved Son, which will shine unmistakably in the shadows of this world so that, as a safe harbor, souls can arrive upon firm land.

Children, listen attentively, live My Words, practice them, this is the unknown time of the Armageddon, because, in spite of the dark night, in our Messages lies the fortitude for the weak, the breath for the helpless, the faith and the determination for the tepid of heart.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
