**DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF SAO PAULO, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN?**

Dear children of Mine,

As your Mother of Help, I open the doors of My Heart to shelter in these times the souls lost for the illusions of the world. Along with My Son Jesus I work for the redemption of humanity and of all the Kingdoms of Nature, those which in the past decades have been subject to an excessive manipulation which led to the deterioration of the spirit of the Kingdoms.

For this I come as the Mother of Help, looking for the hearts that may repent soon and may not waste time on material things. Many of My children in the world live for themselves and do not live for God and in their lives they face, as a result, loneliness, abandonment and lack of love and inner faith.

But I come from Heaven everyday to teach you for the last time the path of return to the Heart of the Celestial Father. That is why My final work will be supported by My disciples and children consecrated to the Light of My Immaculate Heart. It will be in this way that your Heavenly Mother will make the last attempt to remove from the hell on Earth those who submerge themselves day by day in the sea of despair and sin.

Those who live in prayer will be safe, and their homes will be like the arch of Noah, thus your homes will be living temples in the middle of the tribulation that the souls live, far from God and from His Eternal Love.

I receive all of you in My Heart because I love you. My work will end when the majority has found the Kingdom of God.

I thank you for answering to My call!

Who leads you to the consciousness of the spiritual awakening,

Your Mother Mary, Rose of Peace
