Daily Message of Mary, Rose of Peace, transmitted in the Marian Center of Aurora, Paysandú, Uruguay, to the visionary Friar Elías del Sagrado Corazón

As Lady and Mother of the entire universe, I deign to descend to your beloved planet in order to awaken you to the purpose of the greater Task.

Closing the doors to evil, the hearts reconsider and are placed before their spiritual and inner task, for the time has come, and humanity urgently needs solid pillars to carry forward the Plan of the Divinity.

That current of Light cannot be interrupted or cut off by anyone. The prayer of the heart will keep you united to this Divine Principle and thus you will achieve the expected steps in the consciousness.

Children, you knew that the time of the Armageddon would come. Now, on your paths and in your families, you find beings hypnotized by the modern illusion of this world, and no one manages to perceive the absence of the spirit of peace.

You knew that these times would come; this is why you were led to understand the Will of God, and now it is necessary and indispensable that you are able to live it fully.

Children, you knew that these times would come. The Father expects you to be sacred vessels into which the Rays of Mercy can be poured and become part of the life of each soul.

Dear children, you knew that these times would come. While the hardest things are taking place in this last humanity, your Eternal Father takes care of the emergencies, because if He did not take care of them, you would have no perception of things or of your realities, and thus you would lose the meaning of the inner mission.

Now, the time indicates transparency in the work; you have been called to participate in the Work of your Heavenly Mother. The need grows and it must be filled.

The Universe counts on the consciousness of everyone. My Son hopes to be able to pour out His Gifts of Mercy over all. With attention, seek this Legacy.

I thank you for responding to My call!

Who elevates you to the essence of the Purpose,

Your Mother Mary, Rose of Peace
