DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY SISTER LUCÍA DE JESÚS

Even though in the world chaos, confusion and despair reign, in your heart, peace must reign.

Elevate your heart, child, beyond the dimensions, and focus your consciousness upon the true purpose of your life.

This is a time of battle, but a battle which is brought to a halt in silence, with a prayer, with the song that transmutes and transforms fears, with the love that transcends all chaos and the peace that balances all things.

This battle is overcome with knees upon the ground and with the heart elevated toward Heaven so that, in all the events of this world, your heart may know how to find the truth and the wisdom to act and live, always manifesting Divine Will.

Pray, cry out and enter into the Peace of the Heart of God. Know that this is the base of Calvary to which you have walked for some time. And even though the climb is painful, at its top, the triumph of love is drawn; just let your heart know how to be on Earth and, at the same time, elevated toward the Heavens, being a constant and perpetual bridge toward the Heart of God.

You have My blessing for this.

The Most Chaste Saint Joseph
