MESSAGE OF THE GLORIFIED CHRIST JESUS DURING THE WEEKLY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED AT THE LIGHT-NUCLEUS SACRED HEAVEN, BELO HORIZONTE, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS, ON THE OCCASION OF THE INAUGURATION OF THE FOUNTAIN OF THE SUPREME HEALER

Voice of the Virgin Mary:

In the name of the Father, the Son and the Holy Spirit. Amen.

Children,

I Am the Light that announces the beautiful horizon of God. The one who contemplates this Light will not become lost, because it is a divine and inextinguishable Light.

It is this Light of the beautiful horizon of God that announces, in this final time, the arrival of Christ to put an end to the cruelty of the world, and the endless suffering of souls.

For this reason, dear children, in the name of the Lord, I am here today to fulfill the promise that My Son had made to you, as I bless this Sacred Fountain of the Supreme Healer, so that souls may remember that the Heart of Christ is open to all, regardless of the sin or error.

I come as your Celestial Mother to once again lead and guide you toward the Heart of Christ, so that you may find His infinite and inexhaustible fountain of Love, which flows like water, as a spiritual tributary in all souls.

For this reason, this fountain, which we will bless and consecrate today, will gain its spiritual, inner or material power and expansion, depending on the faith of each heart and each soul; remember, dear children, what My Son told the Roman centurion: "Your faith in the Lord saved your servant."

Today I come to renew the gift of faith in this place and, above all, in hearts. A gift that is being transgressed and violated by the situations of the world, by all that is being replaced and changed.

For this reason, I bring you closer to the fountain of the Lord again, so that you may not only purify your faces and hands, but also so that you may reach the path of conversion of the heart, which means, dear children, that your lives, as of today, have the door open so that you may completely change both inside and out, so that you may be different people with new values and attributes for life, fundamental in this time of transition and chaos; because it will be these very same values that you can cultivate within yourselves that will allow you to be free from yourselves and from the world.

Today humanity is facing a complex scenario. It is before two paths and must choose only one path: the path of Light, or the path of perdition.

My Son comes to intercede for all of you and the world on this day, through the Immaculate Heart of Mary, so that souls may come closer to the Graces of Christ, sanctifying and renewing Graces for

souls, so that each heart may internally receive what it needs so much.

Beloved children, in this time it will depend on each one of you that your lives may become the very Grace of God manifested and concretized. This should be the miracle in each one of you.

You yourselves must choose what life you want to live in this time, in the face of a challenging scenario for humanity itself and the planet. For this reason, I remind you again of the values of life, the so called Attributes of God, which are granted to all souls through the Sacraments and, above all, to the hearts that faithfully pray to God every day, because humanity in this time needs much spiritual guidance.

You know, My children, that this is urgent for the world, in the face of so many things that are happening in humanity, because it will be these very same values that you may cultivate in yourselves that will help your families and your loved ones.

And thus, the nucleus of the human family will be protected and supported by God from the grave interferences that the world manifests and radiates to souls. Because there is an attempt to replace the true and only God of Heaven and the Earth by an artificial god.

Do not let yourselves be confused or deceived, beloved children. Rather turn to the prayer of the heart, turn to the adoration of the Blessed Sacrament, to the sacred moment of the Eucharist, of confession and the fervent and supplicating prayer; because everything will happen in this time, but on yourselves, beloved children, depends what will be the result of your paths, of your own choices, of what you may choose, the Living God or the dead god, the dead god of humanity that appears to have life and intelligence of its own.

For this reason, in these simple and sacred moments, through the fountain that springs today from the Heart of Jesus, by means of this water of the fountain that today will be sanctified and consecrated for each one of you and your brothers and sisters, just as it was in Massabielle in Lourdes, Our Sacred Hearts, in self-giving and as an offering, grant again to souls the Graces they need, mainly the Grace of the conversion of heart, of the change of habits and modalities of life, so that you may be worthy of the Graces and miracles that you need.

Because the Grace of God is not wasted in this universe. It is a sacred and sublime current that, when it acts through the Holy Spirit, as it does at this moment, transforms souls into what God has expected so much since the beginning.

I not only want you to place your miseries today at the Feet of My Son, but I also want you to place at the Feet of the Supreme Healer the honest and sincere offering of each heart, of what is most intimate in your inner world, where God dwells and lives, and expresses His Kingdom in souls.

Thus, you will be heard by the Supreme and Sublime Healer, by the Humble Shepherd of souls, the Sacred and Unfathomable Heart of Jesus, who, from His deepest cores, causes Graces to be poured out upon souls, and reveals the ardor of His Love for hearts.

God listens to the hearts that cry out, but above all, God listens to the hearts that suffer unknown situations that they have never experienced upon the surface of the Earth. For this reason, He opens the fountain of His Graces to sanctify souls, to consecrate them.

Friar Elías del Sagrado Corazón de Jesús:

Our Lady asks if anyone can bring a glass of water for the person who is coughing, please. You may bring the glass of water here, please, because She will bless it for the person who is coughing.

It is necessary to let go of what is oppressing us, so that we may be renewed in the presence of the Love of God.

The purification of the world is not a punishment, it is a necessity for hearts to become liberated and thus to become healed of their deepest wounds, mainly their spiritual wounds.

Jesus has always taught us, the holy women and the apostles, that the good Samaritan is the one who first thinks of the other, and is capable of giving from their heart for the salvation of their fellow being. And it is in this way that unity and fraternity are multiplied, through service and charity among hearts.

Friar Elías del Sagrado Corazón de Jesús:

And now, with our Mother, all of us will draw near the fountain for its blessing and consecration. We will go singing, all of us together, with the brothers and sisters of the Choir of the Nucleus the opening song that you sang today.

We will go in procession, in solemnity, in reverence and silence, to place ourselves at the Feet of the Supreme Healer for Him to bathe and purify us with His water, that water that sprang from His Side on the Cross.

And thus we will bless, together with Our Lady, this fountain that will be offered as an instrument of Healing and Grace for souls.

And then we will return here to officiate the Holy Eucharist, administer the Body and the Blood of Christ to all those present, and then finalize with the Sacrament of the Baptism.

We may start singing with the choir.

Song: "By the Fountain of Grace."

Let us breathe in.

Prayer: "Hail Mary" (three times in Portuguese).

I come here with My beloved Son, just as We would go to the wells of Betsaida so that Our Lord could heal and cure the leprous and the sick, restore sight to those who were blind and, above all, open the hearts of those who had closed their hearts to God.

Today My Son comes to bless you through His fountain of Grace and Mercy, Pity and Love.

The Voice of Christ:

By the authority that My Father has granted Me, in union with Heaven and Earth, and with the holy angels and the blessed ones, I come to bless this fountain of Grace so that souls may be purified, renewed and consecrated to the Eternal Heart of God, and may surrender to the Supreme Healer.

In the name of the Father, the Son and the Holy Spirit. Amen.
