DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED DURING THE JOURNEY FROM SANTA MARIA, RIO GRANDE DO SUL, BRASIL, TO THE MARIAN CENTER OF AURORA, PAYSANDÚ, URUGUAY,, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

While on one hand, the greater part of humanity is submerged in suffering and pain, on the other hand, there are souls that clamor to the Heavens, and this request, which comes from the heart, is what allows the maintenance of the spiritual and mental balance of humanity.

Although there are painful events, the requests of the praying souls allow the attraction of the divine, angelic and cosmic intervention towards Earth and, in that way, souls are benefitted.

I come today to thank the wonderful work that each praying soul, each group of prayer and each country is offering to My Heart through the Prayer for Peace in the Nations.

In recent times, the hearts that sustain this work of prayer have managed to establish in themselves a spiritual affiliation with Me; this also allows the defeat of many evil plans and also strengthens souls in the fulfillment of the Purpose of God.

For this reason, My children, I send and pour out My blessings upon each child of Mine who each day strives to relieve My heart of all that it sees in the world, as well as strives to open the door so that I can intercede for all.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
