**DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDÚ, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS**

May the essence of Peace, which comes from the Divine Source, penetrate into the spaces with the greatest planetary need.

May this Divine and Celestial Peace, which is unalterable, deeply work in the consciousnesses of the world that most need peace.

May the Divine Peace stop wars and conflicts.

May human beings feel in their hearts the need to do good and not to destroy; the need to rebuild life, families, and peoples so that everyone can enter into the essence of Divine Peace.

May Celestial Peace, which is a renewing fount, be deposited in the consciousness of nations so that spiritual balance may be sustained in the countries that most need love and peace.

May the essence of Peace renew everything.

May the hope of being able to feel God be reborn so that everything is transformed.

May inner peace be the unbreakable pillar of those who promote peace and good in the world.

I thank you for responding to My call!

Who blesse you,

Your Mother Mary, Rose of Peace
