Daily Message of Mary, Rose of Peace, transmitted in the city of São Paulo, Brazil to the visionary Friar Elías del Sagrado Corazón

Like a Virginal Chalice, on this day, I pour out the most precious redeeming Blood of Christ to wash away your sins and all the evils that humanity generates, offending the Creator God.

On this day, My wish is that your souls be part of My most pure Womb, as Jesus was during the nine months. In this way, My children, I will be able to contemplate you, and within you, you will gestate inner freedom, a union with My Son and with the Celestial Father.

In hope rather than in suffering, let your consciousnesses be repositories of the codes of redemption and of peace.

Dear children, sometimes My crying is for those children of Mine who do not accept being in the most pure Womb of your Heavenly Mother. In My maternal Womb, a place where your sins are released and your wounds healed, the entire Creative Universe of God is held, and through My Womb, I can give you the Light of the Holy Spirit.

Be like My beloved Son Jesus, keep your lives within My most pure Womb and you can be at peace. I have a great place for each one, a sacred enclosure where there is love and unity.

Happy are those who seek to be in My Womb of Light, for I will console them; you will thus be new people and the old will die so that the true being may be born.

I thank you for responding to My call!

Who loves you and contemplates you in Mercy,

Your Mother Mary, Rose of Peace
