DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF SAO PAULO, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

Dear children,

While the Messengers of God are giving the first signs of Their withdrawal, Their servers, spread throughout the Earth, should now be putting into practice the knowledge they have received because the time for assuming responsibilities has come.

These first signs indicate the moment in which everything will be tested inside and outside of beings.

These signs of the withdrawal of the Messengers of God signals the moment for knowing how to go through the end of times with wisdom and discernment, leaving behind the impulsive actions that have always led humanity to make many mistakes.

With this I want to tell you, My children, that it is up to you, with what you have received during these years, to know how to guide the Work of Love of the Divine Messengers, having as a basis all that has been dictated in recent times to be able to carry forward this Redeeming Project of Christ.

When the Divine Messengers withdraw, you must find the guidance in Our Messages, knowing how to differentiate between what you must do and what you must not do.

With all of this, I want to lovingly tell you that, as adults in the spiritual life, you will not be able to depend on what Heaven would previously smoothly give you.

The time has come, children, to live the apostleship just as the first Christians lived it in the purest faith, after their Master and Lord ascended to the Heavens.

I tell you this so that, from now on, you prepare and dare to assume responsibilities and results, regardless of what the Hierarchy may or may not say.

The Plan is fulfilled as each one takes up their position, without waiting to be called.

I thank you for understanding me!

Who blesses you,

Your Mother Mary, Rose of Peace
