DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF SANTA FE, ARGENTINA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

Dear children,

That on this day your consciences collect themselves in the Heart of God, so that they may then acquire strength of spirit, that which will help them to miraculously carry on the foreseen task.

Know, children, that I Am with you until the last days of life and that I do not forget any detail, since it is important that the souls reach their inner and divine growth.

This is why, I come every day from Heaven to guide you and indicate to you the new path which will be necessary to travel in the name of My Son and for the concretion of His inexplicable Work of mercy.

Thus you will confront and live unexpected situations, those which will allow you to strengthen your faith without ceasing to be protected by the Holy Spirit.

Each stage that you live will help you to grow and, every day reach to be nothing, so that through your hearts the imperious force of the Holy Spirit of God manifests, Spirit that will liberate you in each new step and thus you will be able to learn to love more and more.

I thank you for answering to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
