**DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY,
TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN**

Dear children,

It is in this way, always praying, that each one of your souls must be, impregnated by the Light of My Heart.

Day by day, walking in the trust of God and in His victorious Will, all of you, My little ones, will be able to find peace. Because it is in loving that you find peace and in giving yourselves, you find peace in each inner world.

Dear children, as humanity continues to offend the precepts of God, I invite you to realize and to contemplate the prayer of the heart. Thus your hearts will be able to clean from themselves all the remaining pain and the world will be lead towards a new direction of peace.

The Lord knows the degree of your weaknesses and of your imperfections; I tell you to not fear for this. The hour of conversion of the faults has come and this will begin from the surrender of every inner circumstance.

My little ones, the time of transformation is coming for all of My children. For this reason, little children, I am teaching you how you must take the first steps in the reconciliation with God. May no one bring disturbance into their lives if they still owe so much to God.

For this reason, dear children, the true Judgment will begin with the renouncing of your faults. If you have offended God for any reason, I tell you to walk towards Me so that I may present you before My Son. Everything has already been given to humanity, for this reason I come from the Heavens bringing My Eternal Peace.

You must let die all the past so that the new soul that the Lord is waiting for may promptly be born. Live perpetually in the Grace of Peace. Peace can heal life. Peace springs from the brave hearts.

I accompany you from up close.

I will protect you.

Mary, Mother of the Divine Conception of the Trinity
