**DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY,
TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN**

Children, I lift you in My arms as I did with the Child Jesus.

Dear children,

Today I bring all of you to the Heart of My Son who, having resurrected, comes in His Glory to bring you His Peace and His Divine Mercy. Thus, today, through the spirit of prayer, you will be preparing yourselves to receive the Rays of Mercy, an infinite source that you must accept. You must also live in the love for My Immaculate Heart.

Your hearts must convert into little flowers for the Creator. In this way, My dear children, your lives will become more peaceful because you will be in prayer with God.

My children, the primordial mission of My Immaculate Heart is to rescue all of My children, even more those who are blind, who are far away from God. Therefore, dear children, I await so that from each one of your little hearts may flow a fount of living prayer, truthful and humble, that may help the world of today.

Dear children, the one who walks confidently along the way of prayer will be together with My Son, adoring Him and contemplating Him in simplicity. I want to take you each day towards the Prodigious Heart of Christ because in this way your hearts will be inside the Kingdom of God even if you still remain on the Earth.

Today I call you to deepen into My daily messages because in them you will find the keys that the Lord, through His Faithful Servant, is giving you.

Little children, those who live My daily message will be on the right path of conversion. Know, dear children, that humanity lives today the cycle of the possible and total redemption of the heart and of life. Therefore, live with the heart the Grace that the Heavens are pouring to you.

Be fair and simple.

Thank you for responding to My call.

Mary, Mother of the Divine Conception of the Trinity
