DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED DURING THE TRIP FROM THE CITY OF DALLAS, TEXAS, TO MIAMI, FLORIDA, UNITED STATES, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

Dear children,

Today ends a stage that was lived in love and in unity, after all that has taken place in Oklahoma.

Now, with your hearts even more open, accompany your Beloved Lord and your Heavenly Mother in this final part of the mission of peace in the United States.

It is so that the angels will follow each moment and will be able to fill souls with a warm maternal love, which will be radiated by My Heart.

For this, children, I ask you to acquire inner strength through faith and fraternity, thus, hearts will be ignited in redemption and mercy.

On this day, the arrival of the Divine Messengers in Florida must witness that it is possible to perform the Plans of the Creator, because it is His Will.

I thank you for responding to My call.

Who protects you,

Your Mother Mary, Rose of Peace
