DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDÚ, URUGUAY, TO THE VISIONARY SISTER LUCÍA DE JESÚS

To follow the Plans of God, remain in prayer, and allow your spirit to constantly drink from the Fountain of Peace of the Universe.

Live each moment like it is unique, allowing your heart to be renewed in faith and in union with God.

Each day that goes by, the spiritual trial that the planet will experience is drawing closer, and each step taken by beings on the evolutive path or against evolution is what defines the destiny of the planet and the seriousness of the trials that it will go through.

For this reason, child, each time you perceive that the world is destabilizing and nations are spiritually lost, make the correct effort in order to deepen your spiritual life and always remain in prayer.

Throughout the whole way with the cross of these times, there will be tests to overcome, temptations to conquer, doubts to dispel. And every time hearts are confirmed in their faith and love for their fellow beings and God, they will transmute some part of human sin and damnation, and they will generate merits so that this planet may remain in peace.

The response of the hearts at each new day is indispensable. The renewal within beings is what renews the Love in the Heart of God.

Your Father and Friend,

The Most Chaste Saint Joseph
