**DAILY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS**

Through the Light of the Mirrors, the sacred Spiritual Hierarchy brings attributes toward the planet that humanity needs to learn in order to take the correct step that will withdraw it from the illusion in which it lives.

The Mirrors, as part of non-material life, represent that state of consciousness in which is established inner communication between the spiritual and the material.

In this time, the Mirrors work far more than before, because humanity is at the moment of finishing going through the last and great cycle.

With them, the Mirrors will bring the spiritual impulse of powerful currents, which will help to transform and reveal that which humanity needs.

At least a part of humanity and the planet, through the Mirrors, will achieve the real time and, little by little, consciousnesses will see this alternate time dissolve before their eyes, because the Mirrors will achieve the spiritual union that will allow the truth of Knowledge to be revealed.

For this reason, this is the time of definition for the whole planet.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
