DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDÚ, URUGUAY, TO THE VISIONARY SISTER LUCÍA DE JESÚS

I rejoice to see the hearts that open up to receive the sacraments. I rejoice to see the Spirit of God descending upon the world and permeating the souls and hearts of beings, awakening the Sacredness that exists within them, revealing their inner universe and their perfect resemblance with the Heavenly Father.

I rejoice to see that the Creator may manifest His Presence among His children, pouring out His Forgiveness and His Grace upon the hearts that become transparent before Him.

I rejoice to see the spiritual growth of those who were called by Christ to share His blessings and His atonement with the world.

When a Priest forgives the sins of a distressed soul, his own sins are also forgiven; when he washes the feet of a soul, thirsty for new steps leading to the Lord, his own feet are also washed; when they baptize in the name of the Spirit of God, revealing to souls their affiliation to the Almighty, their own souls are also baptized by the Fire of the Holy Spirit; when they anoint with the power of Christ in order to heal the deepest diseases of souls, their own souls and the entire human consciousness also receives the healing for that which is degenerated.

The Sacraments granted and received with love are Graces that permeate all life; they are a service to the whole Creation because, every time you receive the sacraments, you become closer to God and lead the entire humanity to return to His Heart.

Your Father and Friend,

The Most Chaste Saint Joseph
