Special Message of Mary, Rose of Peace, and the Most Chaste Heart of Saint Joseph, transmitted in the Marian Center of Aurora, Paysandu, Uruguay, to Mother María Shimani de Montserrat

Beloved children of Ours,

Today we are gathered together in Aurora of Love to renew the vows of all those who have committed themselves to Our Son, Christ the Redeemer, so that in this end of time, the Grace and Mercy that comes from the Heart of God may descend upon this planet.

Here, today, humility was reflected upon, that which We learned with Our little Son Jesus.

Do you know, beloveds of Ours, that when Jesus was three years old and We came together to pray, God already spoke through Him. And it was by means of that tiny and gentle Word that the Creator instructed the Sacred Family almost daily.

In this way, We learned to listen to God, also through Our little Son, Who in complete innocence and love told His Parents from Earth what His Father from Heaven showed Him about the worlds, about the universe and about His other Children of the Cosmos.

Our ears and Our Hearts learned to humbly listen and recognize the infinite Wisdom that God placed within Us through the little Jesus.

And you, beloved children, do you listen with humility and with your hearts to that which comes from the Heart of God?

Do you truly believe that it is possible that the Eternal Father speaks through His Messengers?

Do you humbly and fraternally live all the Wisdom that We, your Parents of Love, transmit through some of your brothers and sisters that have given themselves to repeat Our Words?

So that we may all be able to build this new and sacred family among us all, you must open and trust in the Message of Love and Humility that today We bring to the world.

So that fraternity may be the keynote of your lives, you must cease to be that which you were and imitate the lives of the Sacred Family. At first, you will only be able to imitate them, but as you experience the peace and the deep feeling of the heart, when uniting with God, the time will come when everything will be converted into an extraordinary experience. That experience will be the cradle of the New Humanity.

Do not feel afraid to experience humility, do not feel ashamed about being less than the others, because in reality, you are nothing, you only represent a few little grains of sand in a great desert.

Today, We give you an impulse of love and of unity, and gathered together in the Love of God, We invite you to make an offering to Our Son, Who will visit you today, at nightfall.

Ask Him to teach you about humility, that which He taught the both of Us, His Parents of Love, since He was very little.

Today, in this blessed place, We leave Our Grace and Our Love for all Our children of the world.

Who loves you and accompanies you always,

Mary, Rose of Peace and the Chaste Heart of Saint Joseph
