DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF AURORA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN?

Dear children,

There is no greater sun than My Immaculate Heart, that which offers itself before God every day to be the path and the light among the darkness. My Heart incarnates the Holy Spirit of God and it is this Spirit that I pour as gifts of Mercy and Forgiveness to the world.

Children, now that you got to know the work of My Spirit and My Heart throughout the times, I offer you this moment of renewal so that certain internal values might become available to the service of God the Father.

For this, children, your paths are being straightened by the cycle of purification. May all of you be able to accept the call for responding to the Will of the Eternal Father, so those Plans of the Universe, which are not fulfilled by the hearts that are blind and distracted, will be able to be accomplished and fulfilled in the hearts that are opened to recognize the Will of the Lord.

For these times I bring to you the science of discernment, the time to be able to search for the inner resources that will help reforming the life over the planet. For this, My beloved ones, your Heavenly Mother gathers you in the cenacle of the Heart of Christ, so that you may feel the power of His trust and the love of His Consciousness, which will help you walk and take the correct steps towards the Sacred Purpose of Adonai.

In all this work, you, My children, have an important participation towards the Plan of the Divine Messengers; it is through an awake and less indifferent humanity that everything will be able to be converted and consecrated in time.

I thank you for answering to My Call!

Who blesses and cares for you always,

Your Mother Mary, Rose of Peace
