DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED DURING THE JOURNEY FROM DÜSSELDORF, GERMANY, TO LISBON, PORTUGAL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

I occupy a space in your life and in your heart that no being of the Earth can occupy; this does not mean that there are not souls who truly love other souls.

But the space that belongs to Me, in the spiritual life of each being, is very special for Me, just as the space that I always hold for you is eternal and special.

In this time, when unconditional surrender and sacrifice are worked with daily, I want you to know and confirm that, in spite of my being in silence, you will always have an important place in My Heart.

In this way, I will be able to give your soul and your consciousness that which they need inwardly, so that every day you live the path of service and of the apostolate. Because on this path you will find an expansion of the heart and a universality of life; on it you will be able to learn to grow inwardly, feeling the importance of the necessity to love unconditionally, every day, so that in the world the Will of God may be done, just as this Will must be done in you.

Venture to have the experience of entering into My Heart and of discovering new spiritual treasures.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master and Lord, Christ Jesus
