**DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY,
TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN**

My little children,

May a profound reverence be born in you today, which will prepare your hearts for the days of Easter. In the living of Easter your lives will return to Christ and to all the passages that the Sacred Heart of My Son lived.

Therefore, My children, let us pray so that God may fill you with His Graces of Peace and spiritual Reparation for each one of your souls. Through the prayer done with the heart you will be able to come closer to the mysteries of the Passion of Jesus. For this reason, My dear children, you are invited to go, with My Son, through the sacrifice and the absolute surrender that His Life and His Heart gave to the world and to humanity.

Dear children, may this coming Easter be a moment of union with Christ and with the Celestial Father so that by Merciful Love the paths of many souls may be conducted to the Eternal Light of God.

My children, the Easter of this year is an opportunity to redeem the heart and to surrender your lives in trust to the Supreme Priest of Love. Follow the steps that My Son will be indicating to you for this Easter of Redemption through prayer and confession.

Dear children, accept the arms that My Son extends to you through His Love and His Forgiveness for the world. May all of My children be partakers of the Sacred Table of Christ, because in this offer of each one of you, you will be including those souls that live without God the Father.

Dear children, the Redemption of My Son is for humanity. All hearts are in time to convert their lives to Christ, the King of Forgiveness.

Thank you for responding to My call.

Reconciliation to all of My children.

Mary, Mother of the Divine Conception of the Trinity
