DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDÚ, URUGUAY, TO THE VISIONARY SISTER LUCÍA DE JESÚS

What is peace?

Many beings say that they search peace and aspire to be in peace. The Creator constantly tells His children to enter in His Heart of Peace. The Lord sent His most Pure Rose of Peace to the world. And what is peace, children?

Peace is not the truce in which the nations in war experience. Peace is not the silence of the quietness of the mind. Peace is an inner state that the human beings sometimes accede, when they are able to express what they are and unite their hearts to the Heart of God.

Peace is the very Presence of the Creator on Earth. To grant peace is to grant an opportunity for the beings to once more unite themselves to the Father, finding the Creator in their essences, to feel protection, security, trust, the emptiness that one feels when one is in the All, the silence that one feels when being in The One from which all sounds come from.

Your Mother Mary, Rose of Peace, is the One who unites God to Her Son, through Her Purity. Her presence and Her words are the path to return to purity of heart and, in this way, express what you were created to experience. May you open the doors that unite you to God and find peace.

When a human being awakens and expresses their true potential, they are united to God, they are in His Peace, regardless of the circumstances around them. And children, this is not to be indifferent. This is to know that more than the feelings of pity and anguish, in times of crisis, facing extreme situations, this planet needs peace, it needs to be able to find God and return to its balance. Therefore, those who are in God are capable to radiate peace even when everything seems to be lost. This is to go beyond the retrograde human condition of fear, anguish and anxiety and to find what it really is to be a human being, the one that is able, through love, to unite all things to the Heart of God and thus establish peace.

Meditate upon what I am telling you and search this truth in your hearts.

Your Father and Friend,

The Most Chaste Saint Joseph
