**SPECIAL MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE MARIAN CENTER OF AURORA,
TO THE VISIONARY SISTER LUCÍA**

If you aspire to achieve the Grace of having a humble heart, seek through perpetual service the union with God and through a deep silence, the union with His Holy Spirit.

On the second day of this novena, you shall pray so that the entire world may be a reflection of Divine Actions and workers of His Will.

O Most Chaste Heart of Saint Joseph,
place within my hands the Light of God,
make my gaze serene and pure.

May my feet walk towards those who are most in need
and may my soul remain in the Heart of the Celestial Father.

May the service provided by each heart
be a crystalline reflection of eternal Union with God.

Amen.

Through the aspiration of serving, you will find truths that are unknown for the human heart. Discover in the current times the secret of eternal service that finds the need presented at each step that is taken in life.

The Heart of God expands Itself throughout the world by means of your prayers, but you still need much more in order to achieve the true Archetype of this humanity. The consecration to God must happen in life, in the small and simple actions.

Be the missionaries of the new time, those who start serving as soon as they take their feet out of bed, and at the end of the day they continue to serve even while they sleep.

Offer your hearts and souls to God and soon you will understand what I tell you.

Be always merciful.

I bless you always.

Saint Joseph, the Most Chaste worker of God.
