SPECIAL MESSAGE OF THE MOST CHASTE SAINT JOSEPH,
TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA TO MOTHER SHIMANI

Dear brothers and sisters,

Today I come to you with the good news that I will be accompanying you from very close for some time more.

My love for this humanity is so pure and humble that My Lord, once My Son, wants Me to accompany Him in the shelter and in the instruction of His flocks, which as a good Father I have made Mine.

I come to bring to you those new laws that govern the heart and the life of those men and women who may want to be part of the new humanity. A faithful reflection of the universal family that little by little you will discover together with Me. Within this instruction I will lovingly teach you to be pure, humble and chaste, to be helpful with all the brothers and sisters and to always have present the love of God above all things.

Instruction after instruction, we will walk together in the awakening of the hidden virtues that humans have, virtues that are sleeping and suffocated by what we all know as modernity.

None of you, beloved brothers and sisters, imagine the perfection that God has created in each one of you. But it is already time for all to be determined to let out from your inner that project of love and dignity that the Creator has thought for each one of His children. This task I have received from My Lord: the one of converting you into pure, chaste, humble and helpful beings. Who will enroll in this, My school? Who will be encouraged to discover what is secretly guarded in their original plan?

The Communities of Light.

This idea of the love of God that emerges in this time to rescue the essence of the human project will be My main classroom where I will permanently be in all of the details of the day by day. Only invoke My presence and I will assist you and I will help you in each step that you want to take.

And for those families that in their houses may open the door to Me and may enter into devotion to the Most Chaste Heart of Saint Joseph, My consciousness will also accompany each one of them, those that may want to form themselves in this new human school, that which will be the pillar of the cells of the new humanity.

Rejoice your hearts because the Creator is giving you Graces through the Most Sacred Hearts so that your lives may be able to change and, at this end of the cycle, all may receive top marks.

In the love and in the joy of serving you eternally, Saint Joseph, the Most Chaste and Venerable Instructor of the School of the New Humanity, is always with you.

And afterwards, Saint Joseph transmitted us:

Get the children to know Me more because I want to play with them.

Blessings.
