**MONTHLY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE MARIAN CENTER OF AURORA,
TO THE VISIONARY SISTER LUCÍA**

Children of God, and blessed, will be called those who summon themselves to be intercessors before God for all of humanity, for the kingdoms and for the planet.

Children of God are those who recognize Him as the Lord and, knowing about His Infinite Greatness open the heart so that it may be a door for the entrance of God on Earth.

Many are the ways of being a faithful worker of God, many will proclaim His Name and His Glory but the most important and the only essential that must exist in all of the children of God is the Love and the True Fidelity to His Heart.

My dears, servers of God, sheep of the Great Lord and Shepherd:

Today I tell you that you must work with fervor to construct in your hearts a fortress with firm bases, strong walls and an unbreakable ceiling because from all sides they will attack the hearts of the world and those who do not work neatly to construct the Dwelling of the Lord in their heart will see their simple dwelling being blown away by the wind of the enemy, like a feather flies in the blowing of a breeze.

But if on the contrary you listen to the Voice of the Messengers of the Lord, those who come to indicate to you the way, the fortress of your hearts that must have a base of Faith, with Love as the wall and Fidelity towards God as the ceiling, that will not even wobble, even with the most strong wind that may blow on the path on the opposite side to the path of God.

If you take the first step and put upon the bases of Faith the first brick of Love that is the aspiration to Love, the Divine hands of those who guide you will come to the aid of your hearts. It is only necessary that you begin, with joy, with Peace, with the enthusiasm of the spirit, this that does not falter from facing the difficulties and that even grow test after test.

Get to work, workers of the Lord because those who construct their own fortress will be ready before God to assist so many others who will be under the rain and the cold of the night for not having got to know God and, often, for not even having heard His Name.

These are times of Faith, times of bravery and of Fidelity. You can count on My aid and on My sacred hands in your work of Love.

I bless you always.

The Most Chaste Saint Joseph.
