**APPARITION OF SAINT JOSEPH IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY,
TO THE VISIONARY SISTER LUCÍA DE JESÚS**

Today I will bless this Communion with Christ, consecrating it so that it may become a path for all souls that aspire to achieve transformation. May these molecules of Christ enter your beings and transform your lives forever, for, in each of those little pieces of bread, there is a mystery of infinite Love, there is a part of the Heart of God, which was given by His Son through His Holy Cross.

As Teacher and Father of each soul of this world, and by the power granted Me by God to come to the Earth and bless beings, today I consecrate this Communion, so that it may serve as a source of redemption and freedom for your souls.

I thank you always for persisting in responding to the call of the Divine Messengers. May the celestial impulses enter into your consciousnesses and come alive in your beings.

I bless you in the name of the Father, the Son, and the Holy Spirit.

Sister Lucía de Jesús:

At the request of Saint Joseph, we will once again listen to the song 'Father of the Missionaries' so that He may pour out His blessing over this world.

Song: Father of the Missionaries

Today the Apparition of Saint Joseph was a little different than it usually is; something happened that was similar to what we perceive in the Apparitions of Mary. While we prayed, already at the end of the prayer of the Devotional, we saw a part of the planet, a part of Africa, and we saw that a portal from Heaven was opening. Suddenly, Saint Joseph began to descend through that portal; He came with a thurible in one hand and a crosier in the other.

Saint Joseph came alone, I mean without sheep, because He wasn't shepherding, but rather He was coming with many angels. He positioned Himself over that place in Africa, and while the incense from the thurible He brought was spreading, He began a prayer. While He prayed, the souls of that place began to rise up to His right and to His left and entered the portal through which He had come.

Afterwards, He positioned Himself over a part of the Middle East. We saw a place at war, a city in ruins, wounded people, and Saint Joseph was doing the same thing: He prayed and was rescuing souls through His prayer.

At one point, the angels asked us to kneel, to follow along with this prayer that Saint Joseph was doing. And when the portals gradually opened to here, Saint Joseph continued with the same prayer.

Today we perceived His Omnipresence because while He was here, at the same time, it was as if He continued in those places of the world, and for a time, we continued to see that souls were still being rescued and went by Him on His right and on His left to Heaven.

(Sister Lucía de Jesús transmits the prayer that Saint Joseph was speaking: [the Devotional of Saint Joseph so that all souls of the world may receive Forgiveness](#) and she reads the [Monthly Message of August 19, 2014](#).)
