DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE MARIAN CENTER OF AURORA, TO THE VISIONARY SISTER LUCÍA DE JESÚS?????

Dear servants of Christ,

Today I come to beg the world to help the souls of the little ones, of the children that are on Earth and cannot find a reason for their life.

I ask you to serve the children, not only with a plate of food, but also in union with their souls, help them find the evolutive path.

The degeneration of the current human consciousness is building a youth empty of God, and as a result, the children are walking the same path.

For this reason, I beg the most aware in this planetary cycle that you worry less about your own inner processes, and help more so that the Plan of God may be accomplished and, in this way, you find in the children a cradle for the seeds of the New Humanity.

Today I will ask you to take one more step and that you not only educate your children and family with love, but that you make it possible for other forgotten and solitary children to also be educated, for the building of a new future.

Teach the little ones to love the Kingdoms of Nature, to take care of them and about the importance of helping them in their evolution. Teach them the importance of sharing with the neighbor that which they need, be it something material or even an inner attribute of consciousness, such as meekness, charity, intelligence, joy. Let the children know to help one another and dispel competition and pride from their consciousnesses.

Dear ones, teach the little ones to pray; teach them the power of prayer and the grace it grants to those most in need in the four corners of the Earth.

Make the children aware of the planetary reality, from an early age, not to frighten them, but rather so that they know that prayer, service, love and unity among all creatures are the infallible remedies for the evils of the world.

The planetary purification is accelerating and the correct seed should be planted within the children, so that a redeemed world may blossom.

The Most Chaste Saint Joseph, father of all the children of the world
