DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE MARIAN CENTER OF AURORA, TO THE VISIONARY SISTER LUCÍA DE JESÚS??

Oh, memorable day on which Heaven descends to Earth to glorify the Mercy of God expressed in the Heart of His Holy Servant, the Virgin Mary.

Oh, day of Graces, of joy and of celestial praise, day on which the hearts receive from the Divine Source the piety to convert their lives and to find the salvation and the fullness in God.

A day of mercy will be this, on which the Lord will synthesize the Graces poured out by the womb of Creation, so that the souls receive over and over again the codes they have lost in the path.

Oh, day of salvation and of rejoicing in the Holy Spirit, because The One who conceives the Trinity in Her most pure womb will turn Her sweet eyes to the world, so that this Holy Spirit impregnate now the hearts and the consciousnesses of the pure of intention.

Today is the day of the Mother of the Divine Conception of Trinity, a day chosen by God so that, before a cycle finishes and it starts another in the planetary life, the creatures may renovate themselves in Christ and receive from the Sacred Hearts the Graces they need in order to persevere.

Blessed will be those who will recognize the greatness of this day and who will they disseminate them in the world, announcing that hope still lives in the human heart.

Blessed will be those who will believe in the words of God and will receive, from His Divine Hands, the celestial treasures for the fulfillment of His Plans.

Blessed will be those who will consecrate their lives and will renounce to the stinginess and to the futilities of the world in order to live something pure and truly spiritual.

Blessed will be those who will take the impulses given in these days of special Grace and will live them in every instant of their lives, because those will be called multipliers of the Divine Grace.

Be joyful, rejoice and unite to God, in reparation of sins and perditions of souls that voluntarily launch themselves into the abysses of the world.

May this Earth be liberated and finally find peace and merge itself into the Spirit of God, with humanity conceiving the gifts of the Most High, because today is the day of the Mother of the Divine Conception of the Trinity.

The Most Chaste Saint Joseph, Servant and faithful Husband of the Holy Virgin Mary
