DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY SISTER LUCÍA DE JESÚS

Gladden your hearts and glorify God, Who never forsakes His children and never ceases to pour out His graces over those who, with faith, serve Him, and in trust, respond to His call.

Today I come to the world for each one of you, servants of God, who every day, with effort, try to go deeper into your own surrender and transformation.

I come for those who feel alone, inwardly forsaken sometimes, because they feel they never reach the place where God needs them to be. I come to tell you that, indeed, you are on the correct path and must not fear not reciprocating with God, because what the Father needs from you is your perseverance and not perfection.

I come so that you never stop learning to love, because the simple effort of living love is already enough for you to cross the threshold between the old and the new man.

Remember, children, that you are in a time of transition, in which you are stepping out of what you were but have not yet achieved what you should be. You are the tip of the spear of a new life, which perhaps will be fully lived by others.

Today I simply ask you for your constant effort to love and to live these times in unity with your brothers and sisters, and each time you feel disunity knocking at your door, know how to say "no" so that you may remain in love and in unity.

I want to help you take a new step toward the Heart of God and for this reason, I am here.

Receive My presence as a response of the Heart of God Who, placing His Grace within your spirits, simply tells you: *"Persevere! And try to love every day."*

Love His Plan, love His Purpose and love His Will for each one of your brothers and sisters. Love the existence of each human being, of each Kingdom of Nature, because all beings that live on Earth are here because, being fully loved by the Father, they have received, from Him, an opportunity to imitate His Love.

With these words, I bless you and I thank you for trying every day to take a step toward the Heart of God.

Your Father and Friend,

The Most Chaste Saint Joseph

After the daily Message, Saint Joseph added:

I also come today to make a request: the Group Effort of Saint Joseph, at the Marian Center of Figueira.*

Just as this practice of unity with My Chaste Heart has brought results at the Marian Center of Aurora, it will also do so here, in which is My home.

So that hearts may be strengthened in unity with one another, and so that this very unity may make you strong in the face of the situation of chaos that the world is experiencing, I ask you to carry out this Group Effort, in which I will always be present.

As from now, on the days in which you pray to receive Me, you will experience a moment of service and of community among you, to then commune with God.

I ask you for this because the Communities of Light must become a bridge of salvation and of healing for the human consciousness and this only happens when beings learn to be united, and thus, learn to be fraternal and create a connection of love with one another, and thus, with God.

During this first period the Group Effort will be weekly, and when My channels are not here, it must be done bi-monthly.

You will see, children, how in a short time, unity will dissolve the conflicts, and being closer to each other, you will be closer to God.

I bless you and I thank you for fulfilling this request of Mine for unity and fraternity among the servants of God.

Your Father and Friend,

The Most Chaste Saint Joseph

**The Marian Center of Figueira is located in the state of Minas Gerais, Brazil.*
