DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE CITY OF FLORIANÓPOLIS, SANTA CATARINA, BRAZIL, TO THE VISIONARY SISTER LUCÍA DE JESÚS

Holiness is to stand before God and, in confession, to recognize without fear your own faults, weaknesses and imperfections, not hiding from yourself or from others the small or great miseries that bind you to this world and prevent you from reaching Heaven.

Holiness is to be aware of the Divine Presence and to live under His Gaze, to be ashamed, repenting and confessing in the weaknesses, and at the same time welcoming, revering and thanking the Gifts and Graces that come from the Father.

Holiness is to surpass, each day a little more, the layers of material illusion, to fix your eyes and heart on the Purpose and Divine Truth. Gradually, human forces, tendencies and conditions lose their place in the hearts of beings, and this space is filled by the freedom to love and serve God.

Holiness is to recognize that the path is long because the deviation was great but, above all, to trust in the miracle and the Mercy of Christ, without conditions or limiting the actions of the Lord in your own life. But, on the contrary, always letting Him have the possibility of turning the stones lost in the mud into crystalline and pure pearls, full of His Truth and Transparency.

Holiness is to know that you have never reached the necessary point and not stopping your own steps, nor the Grace of God in your lives, in the certainty that at some moment of evolution, Unity will come and, on that day, Creation will be recreated. And, allowing the Father to have renewed His love, He will reinvent Life in a new degree of Love.

See holiness as a horizon that calls you. This is a path and not a utopia.

Seek service, love and transparency, and, without realizing it, you will experience redemption and, more than that, you will return to God.

Your Father and Friend,

The Most Chaste Saint Joseph
