DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED AT THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY SISTER LUCÍA DE JESÚS

Child, feel loved by God, independently of your imperfections and miseries.

Feel loved by God in the certainty that the Creator knows you profoundly and, just as you are, loves you unconditionally.

Feel loved by God and do not fear not corresponding to what He needs from you because if you truly love Him, everything else will be accomplished in you, according to the Celestial Will, because the love to the Father will lead you through this path.

Feel loved by God and let this love penetrate deep in your heart, awakening in you a response of love similar to the Love of the One who created you.

Feel loved by God, and welcome each moment of your life as a symbol of this Love, because the Father gives you Graces, but also tests so that you may grow in faith and confirm yourself, day by day, in this Plan of His.

Feel loved by God, and welcome in this new cycle a more profound contact with the Father, knowing His Truth, recognizing His Presence.

Feel loved by God, and may this Love heal your wounds, liberate you from the past, prepare you for the future and build, in the eternal present, a life of surrender and love for the neighbor and all Creation.

Feel loved by God, for He welcomes you, supports and forgives you every day so that you may always have the path open to restart.

Feel loved by God, and start from scratch; rewrite your history, offer the Father a blank page so that He may draw a celestial triumph through you.

Feel loved by God, and always say "yes" to Him.

The one who also loves you,

Your Father and Friend,

The Most Chaste Saint Joseph
